Celebrating Village Redevelopment Connecting the Community

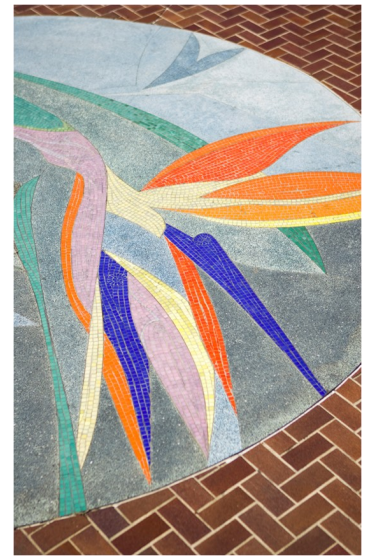

The Carlsbad Redevelopment Agency is expanding its banner program in the Village to celebrate its revitalization success, some of its history, people, and the arts. In partnership with the Cultural Arts Office, large banners along Grand Avenue will soon showcase outdoor art produced by local artists to continue the celebration of the growing market for arts and related entertainment in the Village. The two new programs being introduced are called Salute to our Military Heroes and Snapshots of Time, each uniquely designed to celebrate the people and places within the Village. For more information on these programs, please visit the Web site at www.carlsbadca.gov/redevelopment or call 760-434-2815.

Above are examples of the new banners to decorate the Village.

Village Voices, in the morning & now at night!

For close to a year, the city has been partnering with businesses and residents every Thursday morning. The meetings are informal and ideas are shared round the table. In an effort to collaborate with more businesses and residents, a new edition of Village Voices will be held the at 6 p.m. the first Thursday of each month. We hope to see you there!
